SRCC

Press Release

2021 CREATIVE FUNDING SOLUTIONS SPORTS 2000 CHAMPIONSHIP

- Rounds 1 & 2
- Donington Park
(National circuit)
- All classes - Duratec
& Pinto

"IT'S GO, GO GO!"

We will all miss Murray Walker and I'm sure he won't mind us using one of great opening phrases for a race!

The opening two races of this seasons Creative Funding Solutions Sports 2000 Championship for Sports 2000 Duratec & Pinto cars takes place at Donington as part of the MSVR Club Car Championships. on Saturday 10 April. For more info visit www.sports2000.co.uk and

Entries for race meeting are still coming in and its looking as though we should have 30 Sports2000 cars on the grid everybody's final race preparations go smoothly!

We anticipate some close racing and good clean dicing. There may even be some surprises as the drivers knock the rust of their talent and tune their cars after a winter of fettling.

We are delighted that our first race of the season will be streamed live by Race Television so be sure to check their website www.race.tv for the programme schedule. We will have our championship commentator Chaz "Chatter" Draycott at the circuit providing the race commentary of our races for Race Television.

If you want to check out the race day timetable then visit www.msvracing.com.

In the meantime be sure to listen to our new podcast series - 'The Sports 2000 Podcast' where you can learn more about our championship, our driver & our supporters. For example Episode 1 our guest is SRCC Chairman, Nick Bates. Episode 2 you have the opportunity to meet two of our sponsors Mike Lowe of Creative Funding Solutions and Jason Bayliffe from Broadtown Brewery. In Episode 3 Chaz reviews last season and give us his thoughts about season 2021.

The Sports 2000 Podcast is available on a number of podcast platforms such as - Spreaker, Amazon Music, Deezer, Podchaser, Podcast Addict and JioSaavn, Spreaker, Google Podcasts and Castbox. Below are three popular links
