

Damper Servicing

Do you want an 'on track' advantage over your competitors? Now is the chance to get your race suspension professionally dyno checked and serviced:

Option 1

Dyno test and results print out of your dampers.
£100 per car set

Option 2

Dyno test, strip down for inspection, replace any damaged components, re-assembly, refill with new oil, dyno test and results print out of your dampers.
£400 per car set
